Young People's Mental Health Advisory Group

16 - 24 year olds with personal experience
of having used mental health services or
caring for someone who has.

We help to:

- Identify important research topics for young people
- Identify barriers to recruitment and suggest ways to overcoming them
- Improve accessibility of patient information and consent forms
- Develop study protocols
- Identify useful outcome measures for young people
- Develop dissemination materials and strategies

If you would like to visit the group for support on your study or for more information please contact: megan.rees@kcl.ac.uk or lisa.doughty@kcl.ac.uk
