

# Charity Involvement Directory

The Charities Research Involvement Group (<http://slginvolvement.org.uk/>) all support the active involvement of patients and carers in research.

Hover over each logo to find out more about what they do and the patient population they support, or click on the logo to visit their website.

If you would like to contact the charity click on the Contact button.

**UPDATE: Cancer Research UK have announced their NEW Patient Involvement Toolkit for Researchers. Full details [here](#).**
